       i. COMP B3 Email Assignment: Yourlastname, Yourfirstname
   d. In the body of your message tell me a little bit about yourself.
   e. Attach a text file that has only two lines/sentences. The first line should contain the event that happened in the same year that you were born. From Step 2 of this Assignment. The second line must contain the FULL ADDRESS to the location where you found the information about the event. Create this file in Notepad, or another text editor, that saves the file in the text only format. Do not use a word processor.
